I'm asking for a vote on sharing the cost of a quarter page ad with the Jeffco Dems that urges people to get their primary ballot marked and in the mail or drop box before the 8 pm Tuesday deadline. Total cost of the ad is \$512.40. Our cost is not to exceed \$312.40. Our endorsed candidates are identical for all of the races that appear on both of our ballots. They have one co. comm. candidate and we have one co. comm. candidate and a co. judge that differ.

Please send you ayes and nays ASAP. Deadline for commitment is 2 pm tomorrow.
