

## RESOLUTION 16 -5

### **Resolution Supporting Clean Energy**

WHEREAS the use of fossil fuels comprises many threats to our well-being.

BE IT RESOLVED THAT our elected representatives are urged to support:

- Expanding renewable energy and oppose use of fossil fuels;
- No methanol plant in the state of Washington;
- An open-minded and creative approach to renewing, preserving and monetizing natural resources for short term and long term benefits;
- Work toward building an economy powered by clean energy;
- The development of local climate action plans; and
- Renewable energy at the forefront of our platform – solar, wind, tidal

BE IT FURTHER RESOLVED that we state our opposition to the creation of coal or export terminals and rail transport of fossil fuels in the state of Washington.
