

Recording Secretary

Candidate Name: Kimiko White

I am running for the position of Recording Secretary for the Clallam County Democrats. I spent twenty years as secretary and program coordinator for Washington State University and Columbia Basin College. I was treasurer for six months for the Clallam County Democrats in 2016.

I am a progressive Democrat and would be honored to join the fight to bring the party together, fight for progressive measures and help in the recovery from four years of disaster under Donald Trump.

I have lived in Port Angeles since 2007, have worked as a guest teacher in the Port Angeles School District and as an Enrolled Agent for H and R Block. I have two adult children and am married to the Tribal Archeologist for the Lower Elwha Klallam Tribe.
