

District One Trustee

Candidate Name: **Liz Bumgarner**

It has been my challenge and pleasure to serve as the Chair of Clallam County Democrats during the last year and a half. I have also been active with the Washington State Democratic Party and attended the National Democratic Convention as a representative of Congressional District 6. I am pleased that all of your work resulted in a strong vote for Joe Biden and many of our other Democrats. Before moving to Sequim in District 1, my background over many years was in advocacy and leadership for organizations working on social justice issues such as combatting hunger and poverty, expanding election processes and fighting all forms of discrimination. I have worked at the national, local and international level.

I am entering my third term as a PCO and would like to work on the Board as a representative of District 1 to make sure that we follow up on the strong work we did for the November election and prepare ourselves for the local elections and decisions that face us over the next 2 years. Additionally, I believe we will face a true challenge in Clallam County as we hopefully defeat the Coronavirus and try to reopen and bring back the employment and businesses that have suffered so much. The County Democratic Party has a role to play in representing and helping those who have suffered the most from this pandemic. I want to put to use all of my experience to help the County.

I ask for your vote for Trustee in District 1 so that I can continue to serve the people of Clallam County through our Democratic Party.

Thanks for your consideration and be safe.
