

RESOLUTION 16 -19

Resolution Requesting the WA State Democratic Party to Switch from the Caucus System to the Presidential Primary

WHEREAS the caucus system is not time-efficient;

WHEREAS the caucus system lacks proportional representation;

WHEREAS the caucus system excludes persons without transportation, the disabled, and those with life circumstances that make participation on a specific day and at a specific location impossible;

BE IT THEREFORE RESOLVED that Washington State Democrats should switch from the caucus system to the Presidential primary to determine the number of delegates committed to presidential candidates.
