

Demanding Restoration of the Constitutional Order

Resolution No. 2025-03

Whereas, the executive branch led by President Donald Trump oversteps its Constitutional authority, notably usurping Congress' power to spend; and

Whereas, President Donald Trump blatantly contradicts the law of our Constitution through executive orders, such as illegally attempting to end birthright citizenship; and

Whereas, President Donald Trump bypasses representative democracy through empowering people to non-existent, unelected positions.

Therefore, be it resolved that the Clallam County Democratic Central Committee (CCDCC) demands Senator Patty Murray, Senator Maria Cantwell, Representative Emily Randall use all available rules-based procedural methods, including filibuster in the Senate, to oppose key Congressional actions such as approving a budget, raising the debt limit, and approving nominees until Republican legislators join to reassert Congress' authority; and

Be it further resolved that the CCDCC supports Senator Patty Murray, Senator Maria Cantwell, Representative Emily Randall, Governor Bob Ferguson, and Attorney General Nick Brown in all efforts to obstruct authoritarianism and to restore the Constitutional order and rule of law.

Therefore, be it finally resolved that CCDCC will send a copy of this resolution to U.S. Senators Patty Murray and Maria Cantwell, Congressional Representative Emily Randall, Washington Governor Bob Ferguson, and Attorney General Nick Brown in support of these efforts.
